

Nacra 4.5 sports

The Nacra 4.5 sports is the ideal catamaran for family fun or one up sailing.

She is the perfect length, still small enough to be able to rig by yourself yet having the large buoyancy in the hulls allowing you to carry 4 people.

With the jib blocks being sheeted on the main beam

this makes for an uncluttered trampoline allowing more room for you and your crew.

Sailing the 4.5 is a breeze with kick up rudders making for safe and easy beaching, plus boomless vertical cut mainsail with built in flotation .

This eliminates the need for an ugly mast float, plus saves weight on the mast making rigging and righting much easier.

The furling jib allows for safe cruising and beaching, enhancing the simplicity of the boat.

A-lightweight catamaran that will give the whole family years of fun, she is the Nacra “baby” and where thousands of families will start their sailing careers, whether that be just one member gliding across the waves or more using the trapeze to gain the full benefit of the hidden treasures of the Nacra 4.5

The Nacra 4.5 is surprising many as well on the race course add an optional spinnaker kit and you will be winning races at your local club.

A bright and coloured sail paten and stripe completes the package.

Plus Nacra’s 5 year warranty
