

Nacra Sirocco sports

The Nacra Sirocco is a fast. Easy to sail catamaran at an affordable price!

Ideal for the entry level sailor, family outings or an afternoon sail with friends.

The Sirocco buoyancy surpasses that of any other catamarans in its size range allowing you to carry 3

adults, yet still small enough to be able to rig by yourself.

With kick up rudders making for simple beaching and shallow or deep udders available.

The boomless mainsail offers simplicity and very safe sailing and saves rigging time. It is available in a range of colours.

The Sirocco comes equipped with standard features found on much larger model's of Nacre's including quality HARKEN traveller.

The Sirocco is available with optional jib and trapeze kit which adds for much more excitement.

Hull storage is also available allowing for cruising.
